# Kings Worthy **BAG IT BIN IT!** Poo Policy

## In The Village

Please bag and bin your dog's poo anywhere within our village boundary. Let's keep it clean for everybody to enjoy. This includes all footpaths and any green areas alongside these. This applies to our parks and any wooded areas within or alongside our parks, such as Broadview, Church Green, Eversley and Hinton to name but a few. View our 'Dog Bin Map' and 'Poo Policy' at [www.theworthys.org.uk/bagitbinit](http://www.theworthys.org.uk/bagitbinit). If in doubt, 'bag it' and 'bin it'.

## On Countryside Paths

Provided these paths are well away from the village boundary and residential areas located on the boundary, you do not need to bag and bin dog deposits in the countryside. Please do keep paths and verges clean by flicking dog poo into shrubs, bushes and undergrowth. It will then rot down and fellow walkers won't step in it. However, keep farmland and grassy fields clear of dog faeces. Our parks and green or wooded areas anywhere within our village boundary are not considered to be countryside!

## Dog Fouling Is An Offence

Failing to clear up after your dog is anti-social, smelly and can spread diseases that affect both humans, such as toxocariasis, and dogs, such as parvovirus. Unfortunately, dog poo issues are often caused by just a few irresponsible owners. If you see another dog fouling, encourage its owner to 'bag it' and 'bin it'.

**BAG IT  
BIN IT!**

Do you know of an area that is regularly fouled and not cleared? Do you have information about a dog walker who fails to pick up? Please try to provide as much detail as possible and contact the Parish Office. Dog fouling is an offence and can attract on the spot fines of up to £1000.

## Disposal of Poo Bags

Please don't throw your poo bag over a fence, hang it from a tree or leave it on a path. Place your poo bags in a dog waste or dual purpose bin. If this is not possible, take the bag home and put it in your own bin.

# Our Dog Friendly Village

## Your Best Friend Is Welcome, Too!

When you next plan a meal out or arrange to meet up at your local with friends, consider taking your four-legged friend along, or better still, combine your outing with a lovely walk through our beautiful village and adjoining countryside. The Cart & Horses, The King Charles, the Worthies Sports and Social Club and the Good Life Café are all dog friendly!

## New Dog Bin Map

Kings Worthy has 14 dog waste bins situated in various locations across the village, see page 4. The Parish Council is working with people like you to ensure bins are located where they are needed most. If there is a location you think would benefit from a dog bin, please contact the Parish Office.

## Things My Human Can Do To Help

You can help reduce potential health risks to the public and other dogs by regularly worming your dog every 3-6 months and ensuring vaccinations are up-to-date. You might want to consider checking the locations of dog bins on your walking routes so that you can dispose of waste responsibly. Always be considerate of others when out and about with your dog.

## Can I Run and Play Off Lead?

Dogs love to run and play. Furthermore, both dogs and their owners enjoy such moments to socialise with both other dogs and their humans!

It's acceptable for dogs to run and play off lead in enclosed areas or on paths where the dog's owner feels assured of their dog's safety and well-being,

- unless bye-laws state that dogs must be kept on a lead,
- and provided the dog is friendly
- and remains under the owner's control, view and attention at all times.
