

SPEED LIMIT ON LOVEDON LANE

We are currently looking into the proposals for reducing the speed limit to 40mph, on the A33 end of Lovedon Lane.

Any updates will be posted on our website and notice boards.

PUBLIC CONSULTATION REGARDING TOP FIELD

There will be a public consultation held on Thursday 12th July 2018 at St Mary's Church Hall, from 3-7pm.

Please come along and take part. This is your opportunity to voice any concerns regarding the possibility of any future development.

SPRING BUS SERVICE

We have now had a period of time since the buses have gone back to every 20 mins, making it 3 buses per hour.

We are still hearing complaints where buses are not running on time, or even not turning up.

We would ask anyone who has experienced problems to contact both Stagecoach and the Parish Council with details.

WWI MEMORIAL BENCH

In memory of our fellow Parish Councillor Dennis Welstead, who sadly passed away earlier this year, we are awaiting the installation of a memorial bench outside Tubbs Hall.

Dennis served on the Parish Council for many years, taking an active part in all community events, including the renovation of the war memorial.

Winchester Rotary have kindly offered to help with funding for this bench.

The suggestion of the memorial bench was made by Assistant Parish Clerk - Christopher Read.

In light of the dedication shown by Dennis to the Parish of Kings Worthy, the Parish Council feel that the bench will be a fitting tribute to him.

PIMMS STALL

The Pimms Stall at this Year's St Marys Church fete proved to be as popular as ever, to the extent that we sold out of everything!

Happily, this wasn't too far off the end of the day and we are delighted to say that the Parish Council are celebrating our new Personal Best with record sales from a continuous stream of Pimms lovers, and we thank you for that ... and promise to up our supplies next year 😊.

The proceeds will be put towards the memorial bench.
