Re Opening Of Playgrounds And Other Communal Sports Facilities

Due to a change in Covid-19 government guidelines which we have only received this week, we are now unable to re-open our play areas, MUGA (Multi-Use Games Area), outdoor adult gym equipment and cricket practice nets on Saturday 4th July.
We now have further guidelines to meet which makes it impossible to safely re-open until these guidelines have been met.

We apologise for any disappointment this may cause, but it is important that we have everything in place to ensure the safety of those using these facilities.
We are working very hard to have these areas open in the shortest time possible.

We will keep you updated via the Kingsworthy Parish Council Facebook page, The Worthy Community Facebook page, the Parish Council website http://www.kingsworthy-pc.org.uk, and the 'Next Door' App for those who use that.
