PC/21/014 - Public question time

None.

PC/21/015 - To agree and sign the Minutes of the Meeting held on 25 January 2021

The minutes were agreed as a true record of the meeting and will be signed by the Chair via the post.

PC/21/016 - Impact of Coronavirus (COVID-19)

It was noted that the sports facilities can re-open from the 29th March, subject to government confirmation closer to the time.

PC/21/017 - Reports from the County Councillors, City Councillors and Parish Councillors following external meetings

- Clr Prince gave a brief report to Councillors highlighting the below:

WCC budget – The budget for WCC will be approved shortly. Finances have been impacted hard due to the loss of income due to COVID-19. However, Clr Prince did note that there are grants available for local organisations.

- Cllr Porter's report had been distributed to Councillors before the meeting (see attached) and added the following:

Cart & Horses junction – There had recently been an accident at the junction, and she has asked for the CCTV footage to be reviewed. Cllr Porter has also asked that the CCTV camera remains, as it was originally intended to be temporary.

Local Plan consultation – The consultation on the local plan has now started. Cllr Porter noted that there were thousands of replies to the government whitepaper, which included changes to the calculation of housing numbers for the district. The government have revised the calculation and the district is currently looking a 692 dwellings per year.

Flooding works on Springvale Road and Lovedon Lane – Cllr Porter stated that this will include catchments pits (including at the bottom of Hookpit Farm Lane), changing of crosspipes, an overflow pipe at Bull Farm and other planned works. These works are likely to take at least 12 weeks, and this will impact on traffic and bus services. HCC are looking to resurface Springvale Road from Nations Hill to Bedfield Lane in May.

- Eversley Park footpath – Cllr Newell had attended a meeting with a contractor to look at the yellow path at Eversley Park. There are early signs of the surface breaking up and he is waiting for the contractor to come back to him on a recommend course of action.

PC/21/018 – Matters arising from the meeting held on 25 January 2021

None.

PC/21/019 – To receive the minutes of the committees:

Recreation & Amenities (R&A) Committee – All Councillors had received a copy of the minutes before the meeting, for both the December and January committee meetings.

Fencing at Eversley Park play area – A retention was still being held as rust had appears on the cut panels and bolt holes. It was agreed that this will not be released until the works are completed.

COVID-19 Marshals – WCC COVID-19 Marshals had attended Eversley Park. Things have improved but they will continue to monitor.

Music Festival at Eversley Park – This has been agreed but is subject to COVID-19 restrictions.

Refuse bin at Eversley Park – Due to the amount of extra litter as a result of COVID-19, it was agreed to continue the contract for a large refuse bin at Eversley Park for another 6-months at an approximate cost of £465.00 (ex. VAT).

Finance, Administration & Remuneration Committee – All Councillors had received a copy of the minutes before the meeting, for both the December and January committee meetings.

- Drainage works at Eversley Park –

Multiple quotations had been sought for changes to the drainage at Eversley Park car park. Only two quotations were received but due to the urgent nature of the works, it was agreed to proceed based on the receipt of two quotations.

A vote was held, and it was agreed to proceed with the recommendation from the R&A and Finance committees, to accept Quotation A at a cost of £2,947.50 (exc. VAT).

11 Councillors voted for, with 1 abstaining.

- Bollards at Church Green –

Two quotations had been received for the installation of 9 bollards at the entrance to Church Green.

Quotation A= £1,424.00 (exc. VAT).

Quotation B= £1,840.00 (exc. VAT).

The cost of the bollards direct from the supplier is £1,430.89 (exc. VAT).

Due to the urgent nature of the works to prevent unauthorized encampments, it was agreed to proceed based on the receipt of two quotations.

A vote was held, and it was agreed to proceed with the recommendation from the R&A and Finance committees, to accept quotation A at a total cost of £2,854.89 (including the bollards which are to be purchased by the Parish Council). 11 Councillors voted for, with 1 abstaining.

4 of the bollards will be placed on adjacent land and both permission and a contribution are being sought from the management company that administer it.

Planning & Highways Committee – All Councillors had received a copy of the minutes before the meeting, for both the December and January committee meetings.

PC/21/020 – To consider the forecast outturn (2020/21) and Budget (2021/22) [See attached]

Councillors reviewed the management report, the forecast outturn (2020/21) and budget (2021/22).

PC/21/021 – Approve the payment listing [see attached]

Councillors reviewed and agreed the listing of payments.

PC/21/022 – Review of Standing Orders and Risk Register

Members had been sent a copy before the meeting and were asked to make their comments to the Chair or Clerk, before the next meeting.

PC/21/023 – Review of Standing Orders and Risk Register

Members had been sent a copy before the meeting and were asked to make their comments to the Chair of Finance, or the Clerk, before the Finance meeting.

PC/21/024 – Timing of the Annual Parish and Annual General meeting

Due to the COVID-19 it was agreed to move the Annual Parish Meeting and Annual General Meeting to the 4th May 2021, to allow them to be held electronically.

PC/21/025 – Communications [incl. Website /Facebook / Newsletter / Monthly Comms. etc.] including the protocol for the approval of Council communications.

Cllr Smith had disseminated some policies she had found online to members as examples. A meeting of the Comms group had not yet taken place.

Cllr Haswell noted that he had sought advice from a parishioner as to whether the Parish Council can have a Next-Door account. Unfortunately, with the best of intentions the Parishioner proceeded to set an account up on behalf of the Council, without being asked to do so.

Discussion was held on both the previous procedures and the way forward for communications.

(Cllrs Porter and Price left this meeting)

It was agreed that the comms group consisting of Cllrs Fish, Lawlor, Miller-Hall and Smith will discuss and draft a proposed policy for communications. This will include policies on which types of social media the Council will use and how.

Action – Comms group are to meet to discuss a communications policy.

PC/21/026 – Climate change

Cllr Smith raised the Parish Council's impact on the climate and what we could do to improve this. It was agreed for the committees too look at this including measures that could be taken to reduce the Council's impact on the climate. Communications will also discuss including information for the public in future.

PC/21/027 – Parish plan review

Cllr Newell, Cllr Smith and the Clerk are undertaking an assessment of the plan.

PC/21/028 – Clerk's Notices

None.

PC/21/029 – Chairman’s Notices

None.

PC/21/030 – Items for discussion at the next meeting on the 22 February 2021

None.

Meeting Closed at 21:07.

DRAFT

County Councillor Report for February 2021- *helpline 0333 370 4000 open 7 days a week now.*

Local Transport Plan: towards LTP4

We all grumble about policies that determine speed limits, highways and transport matters, walking and cycling and public transport. The Local Transport plan is being consulted upon now. Deadline for comments is 28th Feb. Please complete either as individuals and as a Parish Council. This will be relevant for your communities. Go to <https://www.hants.gov.uk/transport/localtransportplan>

Revised Minerals and Waste Plan

This is being reviewed (Cabinet 9th Feb 2021) Timetable dates are on pp220,221

I have requested the timetable specific process and how you can respond. James Potter , at HCC, leads the review but Melissa Spriggs is the author of the paper Melissa.Spriggs@hants.gov.uk, 0370 779 7153.

For simplicity, I have attached a copy of the Cabinet report to my emailing of this report.

Several of the your Parish Councils have M&W sites. I will update Parishes myself, but you might like to request local updates direct too. I spoke at the **Inert Waste recycling site at 3 Maids Hill**: it was rejected.

County Council Accounts

Members had notice this week that the County's accounts had been signed off. The County budget will go to Council on the 24th February. HCC had estimated they were £52m out of pocket from Covid-19 expenses, but had recently received £27m . Revising the consideration of monies saved as well as spent, the estimated loss is now just £3.8m, but social care and other pressures remain.

The Budget goes to Cabinet on the 9th February; the agenda can be seen online through the HCC Calendar and the attached paper: you can watch live at 10.30am via hants.gov.uk

As you set your precepts, and to put this in context, the precept for the County is required to raise £707,046,869, (increase of 4.99%, including specifically 3% for social care) resulting in the following charges -for Band A: £900, Band D pays £1350.45, Band H pays £2700

Funding for Broadband: During 20-21 HCC supported the Government Gigabit scheme with a £1m fund; I'll be arguing for a sum for 21-22 too. With the realisation that good broadband matters even more than ever, and so many schemes in my division in progress, it would be disastrous for them to fail just weeks after the current HCC support scheme ends. See more about this scheme on www.hants.gov.uk/broadband

Operation Transmission

A31 Brexit paperwork checking has been frankly underwhelming. Disruption to residents remains high. Many lorries are returning across the Channel empty of loads and Covid-19 crisis has meant that exports aren't happening. I am meeting with Director Tim Lawton to hear the expected plans for this project.

Connect 4 Communities

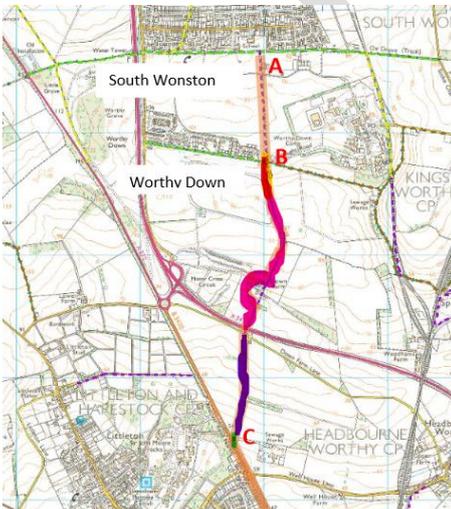

The County Council has funds for play schemes at half term and future holidays. Schemes must include elements of play, activity and importantly, food at lunchtime. Schemes must include a substantial element of children and families needing free school meals. It is open to individual childminders, groups, sports clubs and schools.

Footpaths and Bridleways

The delivery plan for the Worthy Down to Winchester bridleway has been agreed and it is hoped it will be in place for Sept 21. Point C into Winchester is being worked on as we speak: I have always wanted the route to go through into Winchester, not just end on the Andover Road.
