P/20/064 – Election of a Vice-Chair

Cllr Cossburn was proposed by Cllr Gordon and seconded by Cllr Hallisey. Cllr Cossburn was unanimously elected by a show of hands.

P/20/065 – Public question time

A member of the public had asked some questions at the recent Recreation & Amenities committee meeting. Due to their nature the R&A committee referred the questions to this committee and also full council.

Questions 1 – Regarding the incomplete development at Lovedon Fields. I notice that an excavator was levelling ground in the area designated for allotments in the last week of June. Is the Parish Council aware of this work, and monitoring the material that is used on the land which will ultimately grow crops?

Question 2 – What progress has been made with HAB and Fields in Trust to secure the Parish Councils ownership of the land subject to the Fields in Trust Deed of Dedication, and the transfer of ownership of the allotments?

Having raised Parish Council concerns with regards to allotment area, the Clerk had received an update from Lisa Bull (WCC Enforcement Officer) stating that their Landscape Officer is monitoring the works on the site. The status of the transfer of ownership is dependent on the Council being satisfied with the finished works and funding transfer.

Given that the monitoring of the open spaces works is the responsibility of WCC (as per the S106 agreement), it was agreed to inform the member of the public to direct any questions relating to the works to WCC.

Reference:	Location:	Proposal:	P&H Decision	WCC Decision	Inspector's/Committee Decision
19/02057/FUL (PP-08159015)	The Rod Box London Road Kings Worthy SO23 7QN	(AMENDED PLANS) Alterations to existing first floor flat reducing it from three bedrooms to two. First floor extension, loft conversion and roof alterations to create an additional two bedroom flat. Proposed single storey outbuilding to the rear of the property in addition to that previously permitted under application ref no. 18/02758/FUL. Alterations to existing parking layout at front and rear of property.	The Parish Council wish to support the Officer's recommendation to refuse this application on the grounds that the roof/dormer layout is not appropriate. We would also like to comment that whilst not a planning consideration, the proposed parking area would be off of a private road, over which they do not currently have access. This would make the proposed parking area unviable if access to St Marys Close were restricted.	Refused
