P/24/025 – Public Question Time [Please note that this is the only time that the public are able to speak and is limited to 5 minutes per subject]

A member of the public expressed their concerns about the speed limit on Lovedon Lane.

They also asked:

- Why is the speed sign gone after certain days from Lovedon Lane? – Cllr Cossburn noted our speed sign goes up on Tuesday at a different site, is turned around to face the other direction the following Tuesday, and gets taken down the following week to move to a different site.
- Why do we have 2 speed cameras on Springvale Road? - Cllr Cossburn noted that one of the cameras belongs to Headbourne Worthy Parish Council.

The Parish Council is investigating a second speed sign with automatic number plate recognition (ANPR).

24/00381/HOU

Century House Springvale Avenue Kings Worthy Winchester Hampshire SO23 7LH

Response/Action - The Parish Council is broadly in favour of the proposed development but have some concerns. The size of the proposed extensions are too large in relation to the existing dwelling and site. There is also concern about the potential loss of local amenities and the suitability of the proposed access, particularly given the proximity of neighbouring accesses.
